Fire!

The town was aroused about 10 o'clock Monday night by the alarm of fire. The wind was blowing from northeast and a slight rain was a great help to the faithful volunteer fire fighters who again demonstrated their power and skill as fire fighters. The three-story frame and basement store of H. M. Burge was in a blaze when the fire was discovered, and it appeared to have originated on the second floor. Flames spread rapidly and soon enveloped the adjoining large storage house of Mr. Burge on the east and the storage house of W. R. Reynolds on the west. Mr. Burge's loss will exceed \$20,000 with insurance of \$15,000.

Mr. Reynolds' loss will probably reach \$2,000, fully insured. His principal loss is in damaged stock, which was removed from the store.

Appomattox Telephone Exchange loss will reach \$3,500 with \$1,500 insurance. The telephone Co. has rented quarters over the Appomattox Hdw. Co. and hopes to be on speaking terms with Appomattox by the middle of next week. Long distant connections were promptly made.

Mr. Burge has leased the valuable property of Robt. Burke on Church Street and will be in business again just as soon as he can get in stock. In the meantime his storage house which did not burn is full of heavy stock, feed, flour, etc.

Mr. Reynolds is closed awaiting the adjustment of his loss by the insurance companies. Practically the whole of the southside of the town was threatened at one time by the flames, and we are all indebted to our fire fighters and the town water. The Lynchburg fire department responded promptly to our call of distress, but the fire was under control when they arrived. We thank them for the spirit and congratulate ourselves that they did not have a chance to fight in Appomattox.

ROCKS NEWS

Mr. and Mrs. Harold Marsh, of Lynchburg, were week-end visitors of Mr. and Mrs. G. T. Marsh. A few of the Rocks people attended the ordination of Mr. Omma Burnett at Evergreen Baptist Church. Here's wishing him the best luck in the world in this noble work, as a preacher of the gospel.

Mr. and Mrs. D. W. Dinkins have been entertaining lots of their friends in the past few weeks with their new radio. The roads stay bad around here, Rocks neighborhood people would hardly know what a good road was like if they didn't go out the neighborhood sometimes. Looks like taxes are high enough here.

Mr. and Mrs. D. W. Dinkins entertained a large crowd of young people Tuesday night in honor of Miss Ethel Anderson's birthday. All reported a fine time. We hope she'll continue to celebrate her birthdays each year with a party.

Vesta Garrett also entertained a large crowd Saturday night at a party. An "awful good" time was reported by all.

Everybody that wants to have a good time come to the "free good" entertainment and box

The School Board will ask the supervisors to allow it to borrow six thousand dollars more to build auditorium and needed rooms to the High School at Pamplin. The board will have those interested at a public meeting on May 11th. Such proposed expenditure of public funds should be carefully supervised and in no event increase the fire hazard by erecting frame buildings.
